Greetings,

Under our current bylaws, voting members of the Fort Collins Soccer Club will cast their vote for Board Members in advance of the Annual General Meeting, to be held on August 25, 2014. Thank you for considering an application to be a Board member of the Fort Collins Soccer Club.

Along with this letter, please find the "Directors application for nomination;" please complete this in full. We also request that you write a short statement to allow the voting membership an idea of why you are interested in being a Director of the Fort Collins Soccer Club; this information will help members make informed choices in selecting board members.

Please understand that the Board holds monthly meetings, with mandatory attendance. In addition, the Board has an active Committee structure, and each Director is expected to either Chair, or to be an active participant of, at least one Committee. Much of the work of the Board is done within these Committees, with updates and consideration of approval of actions at the monthly meetings. A list of the current Board Committees is posted with this letter. In addition, before applying to the Board, we strongly encourage any interested candidate to contact one of the members of the Board Executive Committee; any one of us can provide you with greater detail on the workings of the Board.

Please complete the application form and either mail back to the Club or deliver to the Club one month prior to the Annual General Meeting, which is being held at 7:00 PM on August 25th, 2014. We look forward to receiving your application.
