### Futsal Derby League Policies and Procedures

**Team Registration:** Teams must register and pay the team fee in ONE payment at the time of registration. Teams should register for a division based upon fall 2019 registration age. Teams with players in more than one age group must register in the division of the oldest player on the team. Individual players (parents) will sign a waiver at the court before their first game. A team rep will submit a list of players to the club before the season begins. All players must sign the waiver before they are permitted to participate.

**Number of Players Per Team:** There is no maximum of players per team roster. Five players play at a time (including goalies). We recommend 8-10 rostered players. A team must have a minimum of 4 field players to start a game. A player may only be rostered with one team per age division.

**Schedule Issues:** The Arsenal Colorado reserves the right to modify, reschedule or cancel games due to unforeseen circumstances. Every effort possible will be made to play the games. Each team will be guaranteed 6 games.

**On-Field Rules:** You can find the complete Futsal Derby League rules on our website at [www.soccerfortcollins.org](http://www.soccerfortcollins.org).

I acknowledge that I have read the Futsal Derby League Policies and Procedures and Rules.
