

Registration is processed on a first-come, first-serve basis. Mail-in and drop-box registration for the fall season begins June 8. Walk-in registration will begin June 10 at 12:00 noon. Registration ends July 17. **Late registration** will open on a space available basis on July 27. **Proof of birth date** is needed for first time players.

Any registration received between June 8 and June 10 will be processed first, based on the date received. Any registration received prior to June 8 will be processed at the end of the day on June 8. **Mail-in and drop-box** registration is sorted by date received and processed each day. We will not process **“packet” registration** (a group of registration forms which have been collected and mailed, dropped or brought to the office as a team). Teams are re-formed each season giving every child the same opportunity during the registration process. **Intermediate players** will register through their coaches. **Need more registration forms?** Feel free to photocopy registration forms.
